### Historic St. Charles Trolley Tour

Let our guides in period dress, step-on to your coach for a historical tour of St. Charles. You will see the Lewis & Clark Boat House and Nature Center, Missouri's First State Capitol, the beginning of the Boone's Lick Trail, and many historic buildings dating from the 1760's to the early 1900's. The 200-year-old Historic Main Street is Missouri's first and largest historic district. It lies closest to the Missouri River and St. Charles' frontier history. The brick-paved street leads to more than 125 one-of-kind shops, 25 restaurants & numerous festivals. No wonder almost 1 million people visit each year.

### Candle-Making

At The Candle Fusion Studio, explore 100+ fragrances & blend your signature scent at the candle "bar." Create a custom soy candle and a variety of home & body specialties, such as room sprays, body mists, spa salts & wax tarts.
